BG Dr. Klagges - DCOM Medical Academy

COL DS Dr. Rentschler - SDO Bundeswehr

Prof. Dr. Lessig - President AKFOS

MS, RDH Riley - President ASFO

**Introduction to the Symposium**

COL DS Hemme - Host

**Guest Nations Presentations:**

09:30 - 10:00

**Achievements in forensic odontology researches at Semmelweis University**

Dr. Simon - HUN

10:00 - 10:15

**Portuguese Update in Forensic Odontology**

Prof. Dr. Palmela Pereira - PRT

**10:15 - 10:45**

**Group picture - Coffee-Break**

**Case Reports Part 1:**

10:45 - 11:15

**DVI operations, trainings and missions in Hungary**

Dr. Farid - HUN

11:15 - 11:45

**Brussels Airport Bombing - a combined look**

Sen CPT Dr. Verhofstadt, Lt Hintjens - BEL

**11:45 - 12:45**

**Lunch**

**Special Feature Presentation:**

12:45 - 14:30

**Forensic Dentistry: a Family's Perspective**

MG (ret) Bannister

**14:30 - 15:00**

**Coffee-Break**

**Science Presentations Part 1:**

15:00 - 15:30

**3D Forensic Odontology: Digital documentation to Analysis**

Dr. Johnson - IND

15:30 - 15:45

**Beyond teeth – the exact evaluation of all features of AM/PM Panoramic x-rays in DVI missions**

Dr. Kachelmann - HUN

**17:25**

**Departure of Busses to Evening Event**

Parking Area at the Flag-Poles

**22:00**

**Departure of Busses to Medical Academy**

at the previous drop-off

**Evening Event Dress Code: Casual, Lederhosen/Dirndl encouraged**

08:15 - 08:45

**The flooding of the Ahr-Valley - DEU response to the catastrophe**

PO Tautenhahn, LTC Dr. Nippe - DEU

08:45 - 09:15

**DVI training and disaster management**

Den LtCol Marchal - BEL

09:15 - 09:45

**Teaching and Research in Forensic Odontology during COVID-19 Pandemic**

Dr. Capitaneanu - IRL/ROU

**09:45 - 10:15**

**Coffee-Break**

**Science Presentations Part 2:**

10:15 - 10:45

**Third molar eruption in Orthopantomograms as a feature for forensic age assessment**

CPT Steffens - DEU

10:45 - 11:45

**A preliminary Application of Orthopantomograms to convolutional neural Networks for Sex Estimation**

Dr. Heng - SGP

**11:45 - 12:45**

**Lunch**

12:45 - 13:30

**Strategic solutions for the odontologist when asked to perform a miracle**

MS, RDH Riley - USA

13:30 - 14:15

**What to do when the victim has no dental restorations?**

MAJ Kopperud - NOR

14:15 - 14:45

**Forensic Identification: Dental scan data sets of the palatal fold pairs as an individual feature in an epidemiological study**

Dr. Bjelopavlovic - DEU

**14:45 - 15:15**

**Coffee-Break**

15:15 - 15:45

**The Application of Post Mortem CT Imaging in Forensic Dental Identification**

WgCdr Clarkson - GBR

15:45 - 16:15

**Disaster Victim Identification (DVI) and medical age estimation training under arctic conditions**

Dr. Wagner - DEU

**planned parallelly:**

**breakout session with hands-on portable X-Ray system**

**(DEU mil attendees; all other attendees upon availability of free slots)**
