

19. Int'l Symposium Forensic Dentistry

Bundeswehr Medical Academy, 80937 Munich, Neuherbergstr. 11, Germany

NEW DATE: AUGUST 2023

With a world still not being back to normal due to the effects of the pandemic and a new political situation evolving, impacts on the conduct of the International Forensic Symposium are obvious. In order to have the great multinational format we experienced before, the 19th **Int'l Symposium Forensic Dentistry** had to be postponed to **August 2023**.

“The 2019 Symposium brought together around 150 participants from 25 nations – (military) dentists as well as representatives of police organizations, scientists and professors in the field of forensic dentistry and forensic medicine. Sharing of expertise and cases, lessons learned and lessons identified will be a focal point.”

Travel and Arrival: August 1 until Afternoon
Ice-Breaker Reception: August 1 Evening
Lectures: August 2 – 4
Checkout and Departure: August 4 from Noon

Conference Fee:	approx. 30 €
Accommodation VOQ/BOQ:	approx. 15 €/night
Food/Beverage:	approx. 15 €/day

“The Symposium is also a venue for informal interaction, networking opportunities and the exchange of ideas with various social events, e.g. an Ice-Breaker Reception and a Bavarian Beergarden Event.”

Application for lecturing is re-opened! Besides already existing ones (please confirm), I am happy to receive your working title! Just drop me a note with a title and desired timeframe. All forensic topics are welcome! Please contact me directly via e-mail: christophhemme@bundeswehr.org

Official invite and registration forms along with additional information and draft scientific agenda will be delivered by spring of 2023.

I am looking forward to finally being able to welcome you in Munich in August 2023!

Best regards as ever, Christoph Hemme - Colonel (MC, DS) - Host and Coordinator
